

<b>Cooperate</b>	To work together toward a common goal <i>The house was clean in one hour because the entire family cooperated with each other.</i>
<b>Communicate</b>	To share thoughts through speaking and writing <i>I communicate with my cousins through email.</i>
<b>Evidence</b>	Data used to support an idea <i>The forensic scientist collected fibers and fingerprints as evidence of the burglary.</i>
<b>Reason</b>	An explanation (noun) <i>The reason he was late to school was that he forgot to set his alarm.</i>
<b>Explain</b>	To provide a logical reason for an idea <i>The scientist explained that whales are descended from wolf-like mammals.</i>
<b>Logic</b>	To use reason and sound judgment <i>It was logical to conclude that the dinner would taste awful because it smelled like a wet dog.</i>
<b>Data</b>	Information collected by making observations <i>We collected data about numbers, names and colors when doing our Mystery Cube Activity.</i>
<b>Analyze</b>	To examine data for useful information <i>I analyzed the information about my broken dishwasher and decided it wouldn't drain because food was stuck in the pile.</i>
<b>Engage</b>	To get someone's attention <i>The T.V. show was so engaging that I lost track of time.</i>
<b>Explore</b>	To examine something in detail <i>I spent my vacation exploring the San Juan Islands in Washington State.</i>
<b>Elaborate</b>	To provide additional details or information <i>My mother couldn't understand my explanation about why I came home after curfew so she asked me to elaborate.</i>
<b>Evaluate</b>	To determine the quality of something <i>The researchers evaluated a claim that pickle juice cures a cold better than chicken soup.</i>
<b>Organize</b>	To put in order based on shared characteristics <i>My music collection is organized alphabetically.</i>
<b>Inference</b>	A prediction based on observations <i>I made an inference that the blank side of the cube should be red because the opposite side was red and all the other opposite sides shared the same color.</i>
<b>Observation</b>	A statement based on something one has seen, heard or noticed <i>Observations of emus show that they do not fly.</i>
